

Enjoy the convenience of LifeLabs® MyVisit™ service!

We come to you! Get blood and ECG testing from the comfort of your home.

What is MyVisit™?

MyVisit™ is a convenient way to collect medical samples or set up cardiac monitoring in the comfort of your home or any location of your choice. (Includes early mornings, evenings, and weekends)

How do I receive my results?

Step 1:

A specially trained professional LifeLabs® mobile technician will conduct lab work at your home

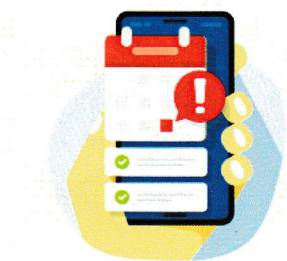

Step 2:

Samples will then be safely transported to a trusted LifeLabs® laboratory for testing

Step 3:

The results will be sent directly to the ordering health care provider and will also be available through LifeLabs® online portal MyCareCompass®

How do I get started?

Booking an appointment for yourself or a loved one is easy with our online portal; all you need to get started is a test requisition signed by your healthcare provider and visit lifelabs.com/myvisit
